

SHARING FLIGHT STATUS DATA

DEMAND FOR FLIGHT STATUS CONTINUES TO GROW

4+ billion

DATA REQUESTS ANNUALLY

40+ million

FLIGHT STATUS UPDATES PUSHED DAILY

1.4 million

UPDATES PROCESSED DAILY

111,000

FLIGHTS TRACKED DAILY

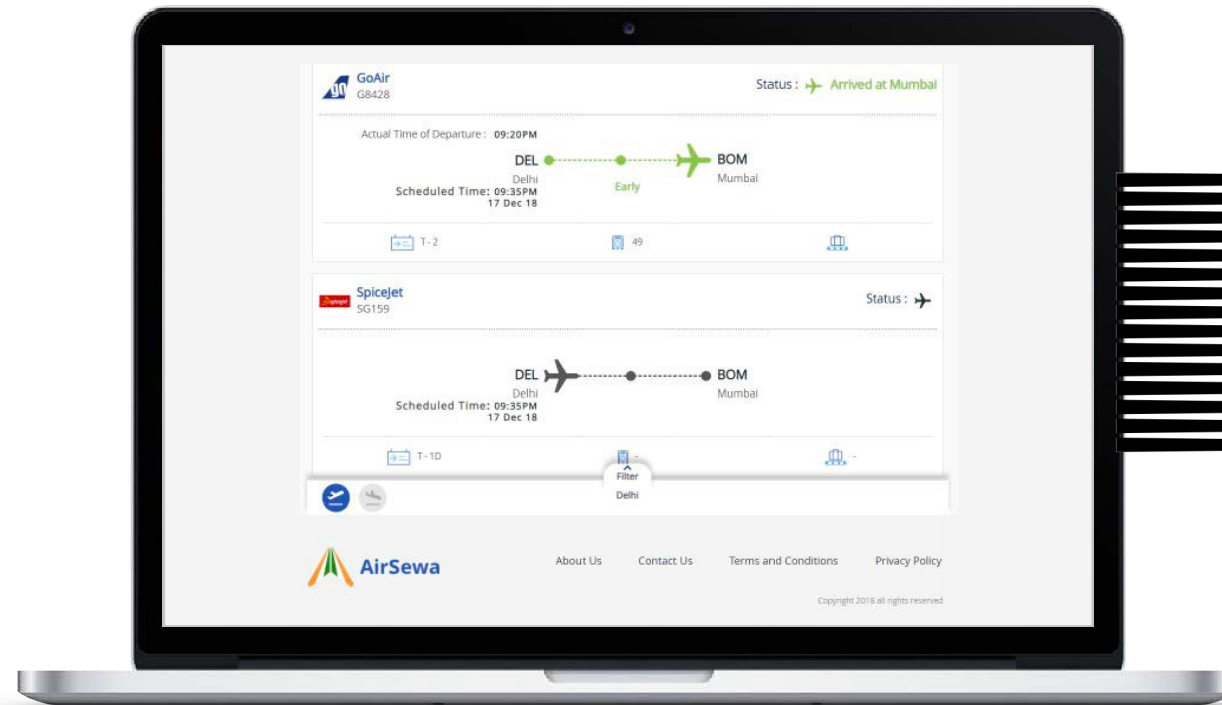

The background of the entire graphic is a photograph of an airport tarmac during sunset or sunrise. Two large white commercial airplanes are parked at gates, with their boarding stairs extended. The sky is a mix of orange, pink, and blue. In the foreground, there are snow-covered grounds and airport infrastructure like light poles and buildings.

MAKE SMARTER MOVES

CONSISTENCY MATTERS

Passengers expect:

- Accurate updates
- Cross platform reliability
- Better visibility
- More control

Example - Ministry of Civil Aviation's Air Sewa users missing Spicejet flight information.

SMOOTHER OPERATIONS

Stakeholders need:

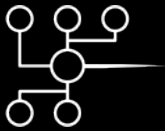

- Accuracy and consistency
- Real-time status
- A single truth
- Collaboration

OAG[®]

MAKE SMARTER MOVES

Airinc; Infax

INFRASTRUCTURE

Examples to be supplied

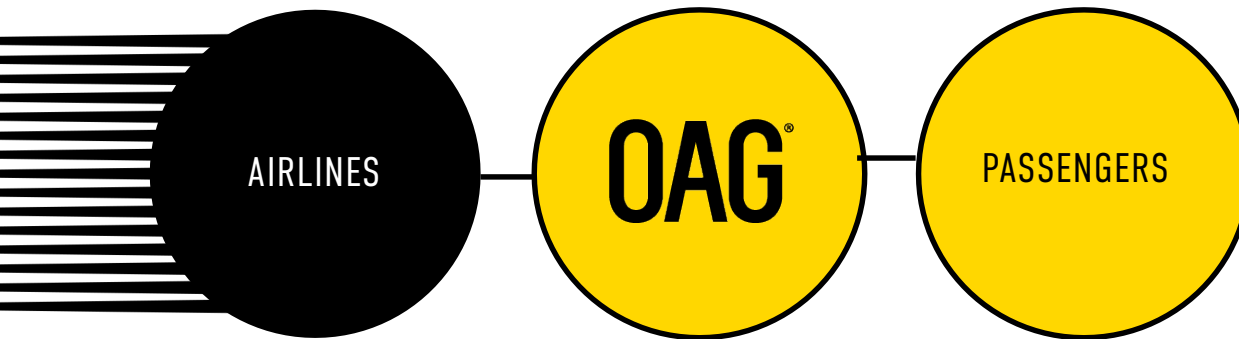

WE POWER THE ECOSYSTEM

- Search engines and OTAs such as Google, Bing, Expedia, Ctrip, Ixigo, Tripcase and Fliggy rely on our information.
- Travel management and corporate travel apps such as Tripcase, Magnatech and Freebird to manage travellers journeys.
- Travel agents use our flight alert notifications service embedded in their own app.

IMPROVING CUSTOMER EXPERIENCE

Ensure quality of digital experience across websites, apps and social channels.

- 90% of wearable device users want day-of-travel alerts
- Whatever the source, ensure your flight status information can be relied on
- Mobile experience spans the entire life cycle of a trip

MAKE SMARTER MOVES

WE REDUCE CONFUSION

- Ensure you have control of your most accurate comprehensive flight status data being distributed.
- Reach travellers worldwide via the various channels, platforms and applications powered by OAG.
- Helps improve your operations - ensuring the availability of accurate and consistent data helps on time performance.
- Reduce customer confusion, increase customer satisfaction.

WE ENHANCE REPUTATIONS

Punctuality League

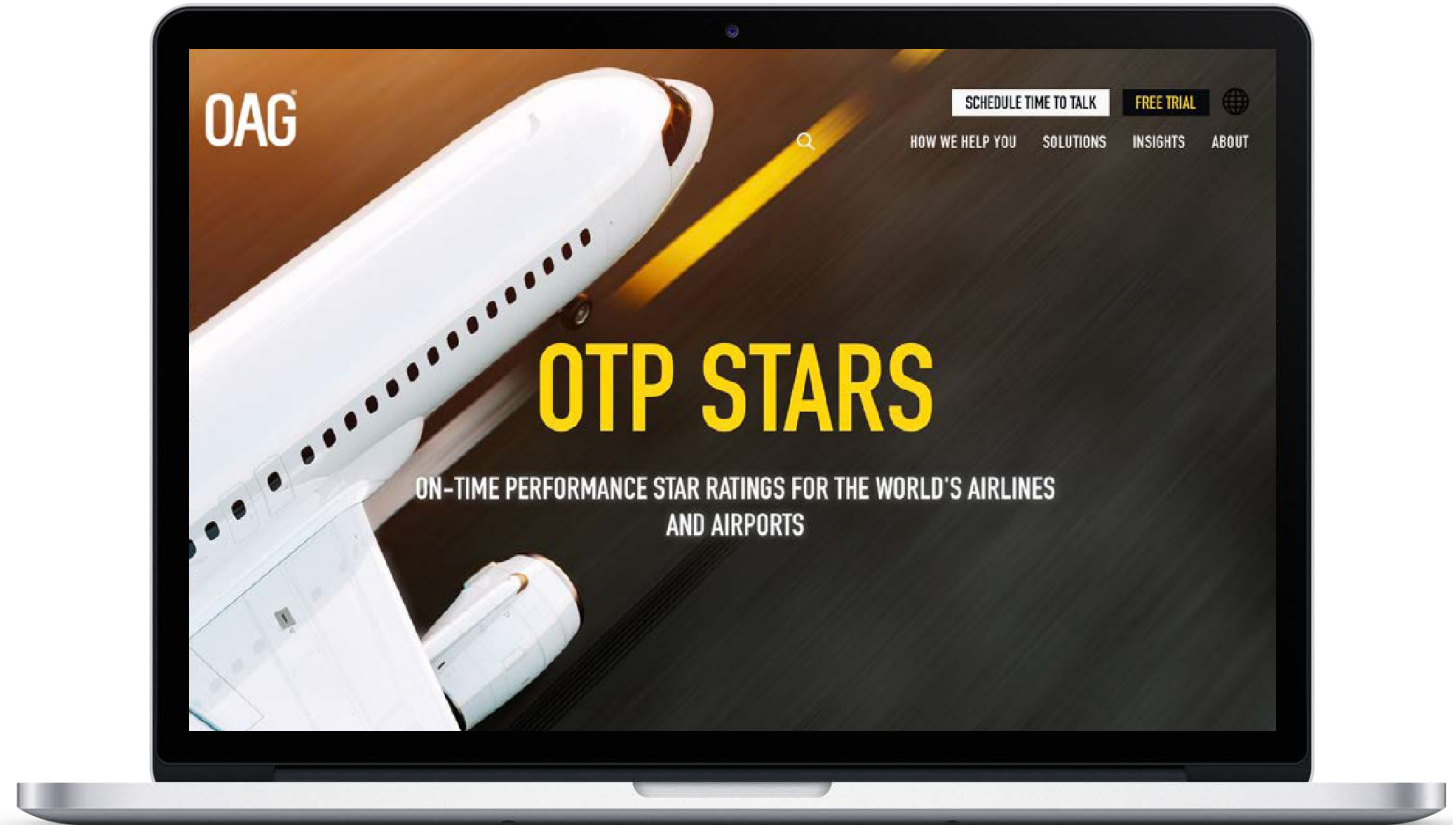

The industry’s most comprehensive annual ranking of on-time performance (OTP) for the world’s airlines and airports.

WE ENHANCE REPUTATIONS

OTP Accreditation

OTP Stars is globally recognized benchmark and official badge, giving your passengers confidence and your team recognition awarded in June.

NEXT STEPS

- Send your sample data and any supporting technical documentation to OAG (email address below).
- We will then exchange technical information regarding connection/setting up relevant login/emails etc. Once connectivity is established, you can start sending your data to OAG.
- We will monitor the feed in UAT, and work with you providing feedback if there are any issues.
- When the feed passes UAT, it will be promoted to a Live environment.
